FOR THE RFP FOR STATEWIDE ORTHORECTIFIED IMAGERY, ELEVATION DATA, AND LAND USE/LAND COVER DATA FOR THE STATE OF DELAWARE

1. General Question: What was the total price of the last update in 2002 and what services were provided for that update?

Answer: We have asked the leadership at the Office of Management and Budget whether or not we can release the total that was paid for the 2002 project without an official Freedom of Information Act Request. We have not yet had a response.

The 2002 project deliverables were:

- a. Statewide, orthorectified aerial imagery at a map scale of 1:2,400 with a ¼-meter pixel resolution.
- b. Statewide land use/land cover data, using the Anderson et al classification scheme and with minimum mapping units of 2 acres for uplands and ¼-acre for wetlands.

2. General Question: What is the deadline to submit questions for this Request for Proposal?

Answer: There is no firm deadline for questions. The State will endeavor to answer questions submitted by 24 hours prior to each of the dates and times posted for weekly responses at www.state.de.us/planning/ortho_rfp/. Please note that the list of response dates and times may be updated from time to time, based on staff schedules.

3. Section III B, Paragraph 1, Page 5 (Experience and Reputation)
Question: What is the maximum number of project references that the State is looking for?

Answer: There is no maximum number set. Applicants are urged, however (Section IV B, Paragraph 9, Page 9), to be concise.

4. Section III B, Paragraphs 1 – 4, Page 5 (Evaluation Requirements)
Question: Where does information such as resumes, project references, methodology, etc. fall within our proposal response? Does it matter which number this information falls under? Are there any additional requirements to be included in our proposal?

Answer: It does not matter where these items fall in the response. There are no additional requirements.
